MESSAGE FROM THE CEO

Welcome—and thank you for your interest in joining Refugee and Migrant Justice (RMJ).

At RMJ, we are driven by a clear purpose: to uphold and defend the rights of Refugees and Migrants. Every day, our work helps to ensure that people are able to get on with their lives. Government places too many unnecessary and unhelpful barriers in the way, our work helps to see people treated with dignity, fairness, and humanity. By considering a role with us, you are taking a step towards becoming part of a team that delivers practical support in helping people when they are in crisis, through our foodbank, that represents people to regularise their status and that challenges unfair laws through legal action and campaigning.

We are equally proud of the culture we have built. RMJ has been recognised through the Great Place to Work awards, winning a best organisation award and receiving recognition as a leading wellbeing organisation. The Great Place to Work Awards are based on the feedback of our staff on working for RMJ. We are also very proud of our role in training and helping people to progress in their career. We train excellent legal advisors who progress through the organisation and IAA and IAAS bands.

Central to our workplace culture is creating a diverse and inclusive working environment, that is anti-racist and anti-oppressive. RMJ benefits hugely from colleagues with a range of backgrounds, who enrich our work with valuable, different perspectives and experiences. We particularly welcome and encourage candidates with lived experience and those from BAME communities.

To encourage this diversity of thought and experience, we're open to people who would bring transferable skills to this role. Maybe you haven't walked a 'traditional' career path, but you've built the skills to do this role, and do it well. If you can demonstrate a clear commitment to our values and ethos, and a deep personal commitment to our vision, we'd love to hear from you.

I hope you feel inspired by our mission and our achievements, and I look forward to welcoming those of you who choose to continue this journey with us.

ABOUT US

Refugee and Migrant Justice (RMJ) is one of the UK's largest charities providing immigration and asylum advice, dedicated to supporting refugees, asylum seekers, and vulnerable migrants to access justice and rebuild their lives.

As an IAA Level 3 accredited organisation, we represent clients at every stage of the immigration and asylum process, including appeals up to the Upper Tribunal of the Immigration and Asylum Chamber. Our work also extends beyond legal advice: we support individuals facing destitution to access housing, financial assistance, and other essential services to which they are entitled.

At RMJ, we are not only committed to delivering high-quality legal support—we are also working to change the system. Our team actively campaigns for a fairer and more humane immigration system. This means our caseworkers have opportunities to contribute to strategic litigation, policy engagement, and wider advocacy work that drives meaningful change.

We particularly welcome and encourage applications from Black, Asian and Minority Ethnic individuals, and those who are migrants or refugees, and who have lived experience of the impact of UK immigration policy and/or of rough sleeping. This includes individuals with direct experience or experience gained through supporting family members with the challenges posed by immigration and asylum practices- those who have been or could have been clients of RMJ.

We guarantee an interview to refugees, stateless people and others with lived experience of forced migration, as long as they meet at least 50% of the essential criteria.

If you are passionate about justice, human rights, and supporting some of the most vulnerable people in society, we would love to hear from you.

OUR VALUES

Independent

We answer only to Refugees and Migrants, our work serves their interests. We show independence by making decisions only for their benefit and have systems to ensure we are accountable.

Inclusive

We create spaces where everyone feels valued, and where every voice is heard. People with lived experience are experts in their own lives, and we are committed to ensuring employees, volunteers and people we work with are at the heart of the decisions we make.

Stronger Together

We believe the best impact is achieved together. By collaborating with other organisations, sharing learning, solutions, and data, we strengthen our sector and deliver lasting change.

Anti- Oppressive

We understand how anti-migrant policies and narratives intersect with class-based, racial, gendered and other forms of oppression. True equality before the law and access to justice can only be achieved by addressing systemic inequalities and structural barriers.
